

2026

STYLISH. COMFORTABLE. DURABLE.

STYLISH. COMFORTABLE. DURABLE.

# Designed to stand out. Built to last.

ENJOY SEASON  
AFTER SEASON OF  
COMFORT AND STYLE  
WITH PREMIUM  
MATERIALS AND  
SIGNATURE DESIGNS.

**SATISFACTION** | Our premium poly furniture is low-maintenance and can remain outside all year round. Spend your time enjoying your patio and deck furniture, not repairing or staining it.

**ASSURANCE** | Our furniture comes with a residential lifetime limited warranty or a commercial 5-year limited warranty covering any defective product or part.

**QUALITY** | Our craftsmen never cut corners. We reinforce our swings, gliders, and benches with aluminum angle braces. We make our own heavy-duty swivels and assemble all of our products with 316-grade stainless steel hardware. Our porch swings come with a stainless steel chain rated at 800 pounds per side.

NEW FOR  
2026

Our **Contour** designs feature graceful silhouettes and flowing lines—timeless craftsmanship with effortless style.

# Take comfort in every detail.

THOUGHTFUL CRAFTSMANSHIP ENSURES YOU CAN RELAX WITH EASE AND PEACE OF MIND.

**ENVIRONMENTALLY FRIENDLY** | LuxCraft Poly is made of high-density polyethylene (HDPE), a recyclable plastic derived from post-industrial waste such as milk and detergent bottles. This material is cleaned in a decontamination process to a **purity level of over 99% HDPE**, then compounded into solid board stock material. The resulting product **contains over 90% recycled post-industrial waste** by weight.

**AMERICAN CRAFTSMANSHIP** | At our Ohio Amish Country workshop, craftsmen draw upon traditional woodworking techniques to build each piece for a lifetime of use.

**PEACE OF MIND** | LuxCraft furniture comes with a limited lifetime warranty on residential use or a 5-year limited warranty on commercial use, a commitment that reflects our confidence in the quality and longevity of our products.

**ASSEMBLED WITH STAINLESS STEEL**  
All LuxCraft products are assembled with **316-grade stainless steel hardware** for optimum durability. Stainless steel is corrosion and stain resistant, which ensures its brilliant shine will last for years to come with very little maintenance.

**EXCEPTIONALLY FADE-RESISTANT** | We use only **high color stability UV pigment systems**, which minimize material breakdown from prolonged sun and weather exposure.

**DURABLE AND LONG-LASTING** | LuxCraft Poly is highly **resistant to moisture, insects, splintering, warping**, and other hazards of environmental exposure common to wood or wood fiber composite products.
